

WORK PLACEMENT CERTIFICATE:

Siddhartha Lama (051186-289L) has worked at **Wizense Ltd** as a part-time intern during and after his studies from 15th February 2024 to 15th August 2024.

During the time he worked in following areas:

- Google Cloud Vertex AI - labelling, training and testing model
- Machine learning - object detection, machine learning
- Algorithm research and development for a 2D lidar

I am pleased to say, that during the short time period he quickly understand the company working domain and developed initial solutions for problems specified.

Mr. Lama has a good energy and he independently drives high-quality deliveries. I highly recommend him for any future job opportunities in this field. Please do not hesitate to contact me for any further information.

Sincerely yours,

Jussi Heiskanen, jussi@wizense.com, +358 40 8031910
